

Corvaglia stands for the most cost-effective cap solutions

Corvaglia gives you choices with a broad spectrum of attractively priced caps for soft drinks, juices, and edible oils. The entire sequence of processes is united under one roof: we design the cap, develop and manufacture the mold, and produce your caps. This single-source approach allows us to guarantee a high level of availability. Additionally, we can assist you in all capping functions in your bottling plant. And if your filling system doesn't run as smoothly as it should, simply call our service technicians for professional help.

Needless to say, our products comply with all requirements regarding functionality, reliability, and user-friendliness.

We would be delighted to assist you in the selection of suitable caps for your PET bottles – at a truly appealing price. Thanks to the capabilities of our in-house development department, we can also actively support you in the implementation of your product ideas. Simply give us a call. We would be happy to advise you.
